

You're invited! Please join us!
NHCOG's next "5th Thursdays" Forum for Land Use
Commissions:
June 30, 2016 @6:30pm

Special Topics:
1) Supporting Local Food & Agriculture
2) Your input on our Draft Regional Transportation Plan

Presenters will include:

- Bill Burgess, President & Executive Director, Partners for Sustainable Healthy Communities
- Kay Carroll, Director, Litchfield Hills Farmer's Market
- Ben Paletsky, General Manager, South Farms
- Ruth Fitzgerald, AICP, Founding Principal, FHI | Fitzgerald & Halliday, Inc.

Provide your input on:

- the strategies and projects to ***support farmers and encourage agriculture*** that should be included in our new Regional Plan of Conservation & Development; and
- the goals and strategies in our ***new DRAFT Regional Transportation Plan*** that will guide future transportation decisions and help secure funding to make them happen.

Goals of NHCOG 5th Thursday events:

1. To provide an opportunity four times a year to meet your neighboring land use commission members and ***exchange ideas and resources***;
2. To provide an opportunity to hear about land use topics of common interest; and
3. To provide a forum to solicit ***feedback and input from local land use commission members and staff*** on the development of regional plans and plan implementation.
