

**Request for Qualifications
6/26/19**

The Northwest Hills Council of Governments is seeking the services of a qualified transportation planning and engineering firm to conduct a Corridor Management Study of East Main Street (Route 202) in Torrington, CT. Consultant services are required to address safety and congestions issues, transit system accessibility, pedestrian/bicycle mobility, and travel demand growth.

A detailed description of what is required is available from the NHCOCG at rlynn@northwesthillscog.org (860-491-9884). **The deadline for submission of qualification statements is 2:00PM on July 24, 2019.**

NHCOCG is an Affirmative Action Equal Opportunity Employer.
