AFFORDABLE HOUSING PLANS

The NHCOG is in the process of assisting nine of its member-towns with the development of municipal affordable housing plans. These plans are required by Section 8-30j of the Connecticut General Statutes. This webinar series is intended to provide more information about different aspects of affordable housing as NHCOG member-towns work to lay out a strategy for meeting the housing needs of existing and future residents and workers.

Anyone interested is welcome to attend, but advance registration is required. Please register for each webinar individually. Upon registration, a Zoom link will be sent to you.
